Re: 2008 Achievement Plaque

Dear Mr. Kerekanich,

In recognition of outstanding sales achievements in 2008 please accept the enclosed plaque as a token of the gratitude from seepex, Inc. During the year of 2008 Rotating Right sent orders to seepex that were 140% of the planned level. This also placed Rotating Right as one of the five largest distributors for seepex, Inc. within North and South America.

It is the sincere desire of all seepex employees that the relationship between these two companies and their employees continues to grow and flourish. Everyone at seepex will all try to be as helpful as possible to assist you in your efforts. If you ever feel you need to speak with me directly, please do not hesitate to contact me using the phone number or e-mail address listed above.

Sincerely,

Michael L. Dillon
President
