MYCLEX COMPRESSOR KLEEN FILTERS

Mycelx Compressor Condensate Hydrocarbon Removal System

Compressor Kleen Filters easily Installs in your Compressor or Air Dryer Condensate Vent Line to Remove of Oily Discharge from escaping down the drain. Works with automatic or manual drain systems.

Thermo-Plastic Filter

- Simple, easy and automatic
- Prevents oil from escaping down the drain
- Stop unnecessary hydrocarbon pollution
- Quick connect hose for easy installation
- Stops messy and dangerous situations
- Environmentally friendly

All HRM cartridges are engineered to remove hydrocarbons ranging from gasoline to oil from water in a single pass. HRM cartridges instantly solubilizes the PCB compounds and bonds them to its surface, keeping them from separating and emulsifying. HRM cartridges are also able to remove Sheen, Synthetic and Natural Oils, BTEX, PCBs, Chlorinated Solvents, and organically bound metals

Mycelx Compressor Condensate Hydrocarbon Removal System

Two Uses: Compressor Condensate - Install in condensate purge line to remove oil before discharge to the sewer. The Compressor Kleen stops oil from escaping down the drain.

Compressed Air - Install in compressed air line to remove oils that can harm or damage air powered equipment and contaminate air powered processes. Keeps oil from contaminating painting processes, filters, pneumatics, and forced air drying processes.

Stainless Steel Filter

- Prevents oil contamination
- Simple and automatic operation
- Will not clog or build backpressure
- Easy installation
- Stops messy and dangerous situations
- Environmentally friendly

All HRM cartridges are engineered to remove hydrocarbons ranging from gasoline to oil from water in a single pass. HRM cartridges instantly solubilizes the PCB compounds and bonds them to its surface, keeping them from separating and emulsifying. HRM cartridges are also able to remove Sheen, Synthetic and Natural Oils, BTEX, PCBs, Chlorinated Solvents, and organically bound metals
